

## Home Care Package Fee Schedule From July 2019

### Care Management

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every home care package, including those being self-managed will require some level of care management.

#### Approach to care management

Parkglenn Home Care services will ensure that you have dedicated care facilitator who will get to know you and your representatives and understand your preferences and culture requirements. Our approach to care management includes developing a personalised partnership plan, helping you to understand service options and the charter of age care rights and your service agreement. This also includes managing your roster and scheduling services and managing your brokerage services, managing cancellations, providing after hours phone services and regularly maintain contact with you. If your care facilitator is unavailable when you call, another member of care team will always be able to assist you.

## Package Management

Package management is the ongoing administration and organisational activities associated with ensuring the smooth delivery and management of your Home Care Package. It may include the costs for: preparing monthly statements, brokerage & contractor invoices, managing your package funds & reporting to Medicare monthly, program reports, compliance & quality assurance activities required for Home Care Package providers.

It does not include costs that are unrelated to supporting your care, nor costs associated with the provider's running of their business such as marketing, office rent, insurance, or activities completed before you enter into a Home Care Agreement with them.

Where necessary, providers will include any other administration costs within the unit price for home care services, so you can see the all-inclusive cost of delivering the service.

## Staff Travel Costs to Visit You

Staff travel costs is the price per kilometre where our support staff undertake shopping duties or assist clients to attend medical or social appointments, a travel fee of \$1 per kilometre will be charged. This cost is only charged when a staff member travels with the client or to run errands on behalf of the client. Parkglenn Home Care does NOT charge travel for the carer to attend a rostered shift.
